Sir,

In enclosing herewith Council resolution No 904/7-5-48 sanctioning the tender of Sri D Kempaiah which is 4-78% in excess of the estimated amount of Rs 5,000/- for the construction of an open daily fee stall in Mandi Market, Mysore, I have the honour to state that since the amount of the estimate did not exceed Rs 5,000/- sanction of Government was not obtained before the work was taken up on hand The Auditor of the Mysore City Municipality has objected to th bill of the contractor on the ground that even though the estimated value of the work was Rs 5,000/- only, the tender amount for the work as approved was Rs ~~5230~~ 5239/- and as such Government sanction is necessary for a revised estimate for Rs 5239/- which is within 5% excess over the sanctioned estimate before the bills could be paid

Since the work is stopped by the contractor for want of funds and since the work has to be pushed through urgently in the interest of Municipal Revenue, I request you to be so good as to kindly obtain sanction of Government to the revised estimate and the tender of Sri D Kempaiah for the work and forward the same very early

The auditor of the Mysore City Municipality has been requested to pass the bill provisionally pending sanction of Government in this behalf

Copy of the Council resolution is herewith enclosed

Yours faithfully
T Venkata Ramaiah
President
